MINISTRY LETTER June 15/16 to Aug. 31/Sept. 1, 2019

Our schedule is also on the website!

DATES FOR NEXT MINISTRY SCHEDULE DUE July 22!

The next ministry schedule will run September 7/8 through November 23/24. The cut-off date for ministers to submit dates they will not be available is July 22. Known dates of unavailability for the next schedule can be submitted to Connie Sandlin at any time.

SUMMERTIME DRESS CODE

Please wear appropriate "Sunday clothes" when you are an assigned minister. **Necklines** should be modest. **Dresses should be no more than 2 inches above the knees.** Please do not wear jeans or shorts. **Additionally, if you are a lector:** Male lectors are asked to wear shirt/tie and sport coat; **teen male lectors**, a shirt/tie. **Female lectors should adhere to the above rules** regarding appropriate dress.

GREETERS

Mandatory meeting for all Greeters!

Just a reminder that **Matthew and Angela Burton are the new Greeter Coordinators.** Please send all communications to mhburton31@gmail.com. They have scheduled a mandatory meeting for all Greeters **on Saturday, June 1** following the 5 PM Mass. A second session will be offered on **Wednesday, June 5, 6:30-7:30.** Please make every effort to attend one of these sessions.

LECTORS

Beginning the weekend **of June 15/16**, there will be some changes concerning Lector C. It is very important that Lector C check and verify before Mass whether there is a Deacon assisting with the Mass. If a Deacon is present and serving at Mass, he will carry in The Book of the Gospels and read the **Prayers of the Faithful** in addition to his assigned Liturgical duties. If no Deacon is present, then Lector A will carry in The Book of the Gospels, and Lector C will read the opening, closing announcements, and the Prayers of the Faithful.

COMMUNION MINISTERS

When you arrive in the Sacristy to pick up your medallion, we are asking Communion Ministers to please indicate which medallion you picked up when you sign in. Sometimes we have special instructions, and it is helpful if we know who is serving which station.
